

A: Agriculture and Social Sciences

- | | |
|--|----------------------------------|
| 10 General literature | 40 Business economics |
| 20 Agriculture in general | 50 Trade |
| 30 Economics and politics | 60 Institutions |
| 31 Economics and politics,
Industrial countries | 70 Research, education and media |
| 32 Economics and politics,
Denmark | 80 History |
| 33 Economics and politics,
Developing countries | 90 Legislation |

B: Administration and environment

- | | |
|--|---|
| 10 General literature | 40 Pollution and environmental protection |
| 20 Planning and administration | 41 Refuse and waste water |
| 30 Nature conservation and
management | 42 Water quality |

C: Sciences

- | | |
|---|-----------------|
| 10 General literature | 40 Biology |
| 20 Mathematics, geography
and geology | 50 Microbiology |
| 30 Physics, chemistry and
biochemistry | 60 Botany |
| | 70 Zoology |

D: Buildings and Machines

- 10 General literature
- 20 Building sector and building technology
- 30 Tools, machinery and equipment

E: Plant Cultivation

- | | |
|-----------------------------|-------------------------------|
| 10 General literature | 50 Plant propagation |
| 20 Soil science | 60 Plant physiology |
| 30 Water and climate | 70 Cultivation and techniques |
| 40 Fertilizer and nutrients | |

F: Plant diseases, pests and weeds

- | | |
|--|-------------------|
| 10 General literature | 40 Pests |
| 20 Plant protection and
protection agents | 50 Weeds |
| 30 Diseases | 60 Other injuries |

G: Crop Science

- | | |
|-----------------------|---------------------|
| 10 General literature | 30 Other feed crops |
| 20 Grain crops | 40 Industrial crops |

H: Horticulture

- | | |
|-------------------------|----------------------------------|
| 10 General literature | 40 Installations and maintenance |
| 20 Fruit and vegetables | 50 Hobby gardening |
| 30 Ornamental plants | |

I: Forestry

- 10 General literature
- 20 Forest biology and natural conditions
- 30 Silviculture

J: Animal Husbandry

- | | |
|----------------------------|--|
| 10 General literature | 44 Other large domestic animals and fur
animals |
| 20 Breeding and production | 45 Poultry |
| 30 Feeds and feeding | 46 Dogs and cats |
| 41 Horses | 47 Other animals |
| 42 Cattle | 50 Hunting, fishery and aquaculture |
| 43 Pigs | |

K: Veterinary Science

- | | |
|--|---|
| 10 General literature | 62 Cattle |
| 20 Anatomy and physiology | 63 Pigs |
| 30 Pathology | 64 Other large domestic animals and fur animals |
| 31 Microbiology | 65 Poultry |
| 32 Parasitology | 66 Dogs and cats |
| 40 Pharmacology, therapy
and toxicology | 67 Aquatic pathology |
| 50 Surgery and birth assistance | 68 Other animals |
| 61 Horses | 69 Humans |

L: Food and nutrition. Industrial products

- | | |
|---|---|
| 10 General literature | 80 Food technology |
| 20 Technology and energy
production | 91 Food products, dairy products |
| 30 Non-food products | 92 Food products, other animal products |
| 40 Food products in general | 93 Food products, plant products |
| 50 Food composition and human nutrition | |
| 60 Food hygiene and food control | |
| 70 Food additives | |
